

Home Alone

Ages: Kindergarten - 3rdGrade

In today's world, most parents are working. A lot of children are required to stay home alone until parents get home from work. Do your kids know how to stay safe when they are at home alone? We have a great show to help kids understand some of the safety rules for staying at home alone.

"Home Alone" stresses safety while alone at home. The show educates children with magic, music, a game and a "drama" in which the kids are the players! The primary object lessons are repeated throughout the show and reflect principles like, "Don't open the door" and "call back later". Kids are truly entertained as

they learn how to navigate the responsibility of staying at home alone.

Do you have questions about this show? You can call us at 214-886-4243 and we will be happy to talk with you!
