We are living in extraordinary times and there's STILL a way for your child to have an EXTRAORDINARY birthday memory!

One of our most beloved performers, Cinde, can virtually visit your home and the homes of your party guests! She will bring magic, puppets, music and games that everyone can participate in, safe from their home computer. Your child will love seeing their friends' faces and visiting online! Boopsie (or Cinde the Magician) will provide a link to the host family, a list of household items the guests will need to participate in the magic, and a PDF Magic and Fun Book the birthday parents can send guests as a party favor. Call 214-886-4243 today to get more details! You can still have a party to REMEMBER!
