

Hip Hip Hooray for the USA

Ages: Early Childhood, Day Care, Kindergarten - 3rd

Have you thought about your plans for July 4th? We have a show that is an amazing bit of fun for kids and shares what Independence Day is all about! We have two entertainers who perform this show and both of them (Susan and Tricia) are seasoned performers and GREAT with children!

Tricia or Susan will talk about the colors of the American flag while doing a magic tricks and making the little ones laugh. Uncle Sammy (a puppet) teaches about the pledge of allegiance, and the Star-Spangled Banner, as well. There is a safety talk about fireworks and a magical birthday celebration for America, too!

There's so much fun in this show, the kids will look forward to telling you about all they have learned during the show!

Do you have questions about this terrific show? We would love to talk with you about it! You can reach us at 214-886-4243 for more information. Have a happy and safe Independence Day!
