Christmas is a wonderful time of year! When it comes to Christmas, children are really the focus, and our performers keep it that way!

Our performer (Either an elf or Mrs. Claus) comes to your home or school with puppets, music, fun and a magical snow man! The older children and teachers actually get to perform in a bell band and everyone has fun singing songs. Our performers will also tell a story and sing Rudolph the Red Nosed Reindeer!

Everyone has fun in this show, and we even meet a puppet who hasn’t been very good this year and thinks they might get “Nuttin’ for Christmas”! This show is full of laughs and participation.
