

The Cooking Show

Ages: Early Childhood - 3rd Grade

Are your little ones curious about cooking? Does your child like to help out in the kitchen or ask questions when you are cooking? We have just what you need! "The Cooking Show" will show children recipes while preparing Mean Soup, spaghetti, oobee goobies, peanut butter and spinach sandwiches, pizza and more! Also, an old lady may swallow a pie while the kids are playing the fried chicken game! This show is really fun.

We have two entertainers who perform this show and both performers are stellar. Susan (pictured here) and Tricia have

been performing for several years and have a great reputation for bringing a wonderful show! Both performers enjoy working with children and you will love having them at your home or school!

Have questions? Feel free to call us any time at 214-886-4243!
