

The Magic Workshop with Brett!

Ages: Kindergarten - 5th Grade

Are you looking for something fun for your kids to do at their birthday party? Do you have a smart, creative youngster that likes to participate in the fun? Then there's good news for you.

Fun Time Entertainment is proud to offer a Magic Workshop with Brett, one of our favorite performers! The magic workshop is hands on. Children get to make magic tricks and other props to amaze their friends! In this great option, Brett will perform a show, and teach everyone how to do some tricks. After, he will show everyone will make some props for their own magical performance! The kids will become stars of their very own show!

Here are the details:

- This workshop is approximately forty five minutes long.
- Every child will get to bring the magic tricks they make home with them.
- Each child will get one on one training.
